Rebecca,

I am going to suggest that you not send further congressional questions to Janie. I don't think she is the correct person to be fielding these types of questions.

Hi, All.

I just consulted with Melissa, and we don't think we should be responding to any congressional requests for information without ORC/OGC consultation.

Rebecca, could you work with Richard Sisk and ORC on a process to vet these questions?

Thanks!

Hello Janie,

Can you help facilitate responses to these questions.

Thank you,

Rebecca
